

Midwifery Home Care Services

We know that becoming a parent can be overwhelming, with so many things to adapt to, learn about, and prepare for. Our Midwifery team can visit you in the comfort of your home to provide education, support and care before and after your baby arrives.

Before your baby arrives:

Antenatal Education

Our Midwifery team can provide you with Antenatal Education within your home. The sessions will be tailored to your requirements and will focus on labour, birth and caring for your newborn baby.

1750 AED (up to four hours across two sessions)

Antenatal Support Visit

Our Midwifery team can visit you in your home to answer any of your questions and check your nursery and baby's areas for safety, layout and equipment requirements.

Single visit: 750 AED (up to 90 minutes)

Once your baby has arrived:

Postnatal Home Visits

Our experienced Senior Midwives can visit you in your home environment to ensure optimal health for you and your baby. Your Midwife will assess your vital signs, discuss wound care and answer any questions you may have. Your Midwife will also check your baby's weight, feeding, cord care and assess your baby's output.

Single visit - 750 AED (up to 90 minutes)

Package of 3 visits 2000 AED (each visit up to 90 mins)

Twins single visit - 900 AED (up to 2 hours)

Twins package of 3 visits 2500 AED (each visit up to two hours)

****Please note:** Payment must be made in advance, before your Midwifery Visit. We are able to send you an online payment link before your visit(s)
