

Midwifery Services

Group Antenatal Classes - 4 weeks - Saturday 9am until 11am

Our Antenatal Classes are offered in-person to couples by our Senior Midwives and Lactation Consultant (IBCLC) over four weeks, once per week. The course encompasses a family centred approach in a friendly and compassionate environment. All of the information provided is evidence-based and will assist in preparing you and your partner for labour, birth and caring for a newborn baby.

Complimentary for Genesis Obstetric Patients

Private Antenatal Classes

Our private Antenatal Classes are provided in person by our Senior Midwives and Lactation Consultant (IBCLC). The content is a condensed version of the Group Classes and can be tailored to your specific requirements which can be discussed prior to booking. Your first session will be for two hours and a follow up session for a further two hours is included . 1500 AED per session

Any subsequent sessions required are then booked as per your needs and charged 500 AED per hour.

Birth Companion Service

Our Companion Service is a very popular service whereby Martie Clayton one of our Senior Midwives will accompany and support you during your labour and birth. The benefit of this is having someone with you the entire time who knows and understands your birth preferences and can act on your behalf as a point of contact with the primary care team in the hospital. 4500 AED

Midwifery Consultation

Our Senior Midwives and Lactation Consultant (IBCLC) can answer any of your questions relating to feeding your baby, baby care and postnatal issues.

400 AED one hour session

Breastfeeding & Lactation (IBCLC)

Our Senior Midwife and Lactation Consultant (IBCLC) offers specialist breastfeeding and lactation support. Dru Campbell is registered as International Board Certified Lactation Consultant which is the worldwide gold standard of Lactation Consultancy knowledge and experience.

500 AED one hour session
